

Design Your Own Music CD

Activity 1 : CD Cover

You are a Music Company that is producing a CD that has the theme of Divorce.

Design a CD cover that explains what the families of divorce experience. Looking at it from your point of view as a child, what would you make the cover look like, so that others can understand what you are feeling by looking at the cover ?

You can even use magazines, cut out pictures and then glue them into the block to create your CD cover.

Activity 2 : Song List

On the back of your CD, what song titles would you come up with (list 5)

The songs are meant to explain how you feel having gone through this divorce. Helping others understand what's happened and how you are feeling.

Examples :

song 1 - I don't understand

song 2 - Why me ?

Be truthful as to what you are feeling.
